

San Pedro Belize April 2-9, 2011 Hosted Trip

In 2011 we are very excited to be hosting a Saltwater destination trip. We have a week booked in San Pedro Belize and would like to invite you along! I had the pleasure of fishing San Pedro last April and it was a spectacular place.

The food, accommodations and fishing were all world class.

We book our trips with Richard French from *Slipstream Angling Adventures* and his experience makes our trips unique. Richard has been organizing trips for years and his dedication to travel destinations is apparent in these trips.

This trip is open to non fly fishers as well. Targeted species are Bonefish, Permit, Tarpon & Snook

Jays Fly Shop offers fly fishing travel to Los Roques Venezuela, Cuba, Belize and the Bahamas.
