Quality Why Buy Used Equipment?

- Save money - 40%-90% compared to new.
- Save money with new surplus equipment.
- Save the environment. Eliminate tons of new CO₂ emissions by buying existing quality machines.
- Immediate delivery, get it **now** when you need it.
- All the good equipment in your plant is used.
- Get more for your money.

Ross HDM-40 Gal. double planetary mixer, formerly used for granulation in a pharmaceutical plant. New in about 1990.

We are now agents for OLSA, manufacturers of pharmaceutical grade equipment. Products include Vacuum Mixers, Vacuum Dryers, Pharmaceutical Ovens, Water Stills, Clean Steam Generators, Nutsche Filters, Filter Dryers, Processing Vessels & Fermenters.
