HELP!!!

It is the responsibility of each student to catch up on missed work. If a student knows he/she will be away for a test, or if a test is missed for unforeseen reasons, the student will be expected to write the test in **Room 307** at lunch time or at a mutually agreed upon time. Failure to write the test at this time will result in a mark of **zero**. **ALL STUDENTS WILL WRITE ALL TESTS**. All assignments must be handed in on time or a mark of **zero** will be given. It is imperative that every class be attended and all assignments and class work be completed in order for you to be successful. All students will write the final exam.
